Memorandum of Conversation

DATE: July 23, 1957

SUBJECT: Crown Prince Faisal's Visit to Washington

PARTICIPANTS: Sheikh Ahmad Abdul Jabbar, Aide to Crown Prince Faisal
David D. Newsom, NE

COPIES TO: NEA(1cc), S/S(2cc), U/PR(1cc), G(1cc), NE(3cc),
White House

Mr. Newsom telephoned Sheikh Jabbar to state that the President had been pleased to receive Prince Faisal's reply to his letter of welcome, that the President was happy to have good reports of the Prince's progress, and that he looked forward to seeing him in Washington after he had regained his strength. Mr. Newsom suggested that Sheikh Jabbar might wish to give the Department as much advance notice as possible of the Prince's scheduled visit to Washington.

Sheikh Jabbar expressed appreciation for this acknowledgment and said Prince Faisal continued to look forward to coming to Washington. He said that the Prince had recovered from his gall bladder operation and would on or about July 25 be undergoing an operation for a sinus infection. Following his recovery from that, the Prince expected to spend two weeks or so recuperating near New York. He would not, he said, therefore, visit Washington before the middle of August.
